

Document name:	Sprint 2 Plan
Product name:	"Don't Dine Alone"
Team name:	The Grand Daddy of All Teams
Sprint completion date:	May 1, 2018
Revision number:	2
Revision date:	

Sprint Goal (short, 1-2 sentence description of the high-level goal(s) for the sprint):

Want a better welcome page that includes a profile and a matching system.

Tasks listing (reorganized by user story which are ordered by priority):

User Story 1		
As a user, I want a welcome page so that the app can be more appealing to me		
(Total Time)	13	
Task#	Description	Est Hrs
1	As a developer, I want to have a nice background to make the app appealing to the user	3
2	As a developer, I want to begin designing an interface to dine, profile, or logout (See image buttons)	5
3	As a developer, I want to establish a user profile page so the user can see what the app knows about them and customized their profile information	5

User Story 2		
As a user, I want to be able to match with other users to dine with other people.		
(Total Time)	16	
Task#	Description	Est Hrs
1	As a developer I want to learn about databases in Firebase, so that users can have some sort of profile.	8
2	As a developer I want to create a prototype of a Firebase database on Android, so that we can present it to the group and learn more quickly.	3
3	As a developer I want to, set up a database more specific to our needs so we can start adding users.	5

User Story 3		
As a user, I want a profile so that I will be unique		
(Total Time)	8	
Task#	Description	Est Hrs
1	As a developer, I want attached profile data to a database	3
2	As a developer, I want a separate activity for this page,	5

Team roles (short, 1-2 sentence description of the high-level goal(s) for the sprint):

<u>Name</u>	<u>Sprint Role(s)</u>
Tyler Hu	Produce Owner
Cody Cunningham	Developer
