Document name:	Sprint 1 Plan
Product name:	"Don't Dine Alone"
Team name:	The Grand Daddy of All Teams
Sprint completion date:	April 24, 2018
Revision number:	1
Revision date:	April 24, 2018

Sprint Goal (short, 1-2 sentence description of the high-level goal(s) for the sprint):

Implement a Login Screen with Buttons and Login Authentication.

Tasks listing (reorganized by user story which are ordered by priority):

User Story 1		
As a user, I want a basic interactive UI / login screen, so that I know where to start.		
(Total Time)	13	
Task#	**Description**	**Est Hrs**
1	As a developer, I want to setup Git, so that I can start working on the codebase.	3
2	As a developer, I want to setup and learn basic Android, so that I can begin implementing a login screen.	5
3	As a developer, I want to implement buttons so that users can click to login.	2
4	As a developer, I want to add features, so that it's aesthetically pleasing.	2
5	As a developer, I want to test all the pages, so that they work properly.	1

User Story 2

As a user, I want to be able to login with my ucsc email address, so that I only link with other UCSC students.			
(Total Time)		15	
Task#	**Description**		**Est Hrs**
1	As a developer, I want to learn how to authenticate users with Firebase, so that we can begin login of users.		5
2	As a developer, I want implement a login, so that it works.		5
4	As a developer, I want to verify user's @ucsc email, so that we target ucsc students.		3
5	As a developer, I want to test login, so that we know that it works.		2

Team roles (short, 1-2 sentence description of the high-level goal(s) for the sprint):

Name	**Sprint Role(s)**
Tyler Hu	Produce Owner
Cody Cunningham	Developer
Tarun Salh	Developer
Mackenzie Huynh	Developer
Jean Park	Scrum Master, Developer

Initial Task Assignment:

Name	**User Story**	**Initial Task**
Tyler	1	Task 1-1: As A developer, I want to start a GitHub Repo, so that we can start this project

Day	Date	Time	Location	TA?
W	Apr 11, 2018	10:30a - 12p	S&E 308	no
Th	Apr 12, 2018	12:30p - 1:30p	S&E 308	no
F	Apr 13, 2018	9:30a - 12p	S&E 308	no

Day	Date	Time	Location	TA?
M	Apr 16, 2018	10:30a - 12p	S&E 308	no
W	Apr 18, 2018	9:00p - 11:00p	S&E 308	no
F	Apr 20, 2018	11:30a - 12p	S&E 308	no
M	Apr 23, 2018	11a - 11:30p	BE 340	yes

Note: If release plan was modified during sprint planning, submit an updated release plan with the sprint plan.

DontDineAlone - Sprint 1

Note: Do not have an initial screenshot of the task board. It took a bit of time figuring out how to setup a task board on Trello to simulate Scrum and to see what would work for us.
